

Insurance

Your landlord has buildings insurance in place to protect its properties. This covers the permanent structure of the building.

The landlord's building insurance DOES NOT cover the contents of your home. We therefore strongly advise residents to organise their own contents insurance to make sure that in case of fire, theft, vandalism, burst pipes or other accidental damage to the goods, furniture and personal possessions in your home that you will be covered for their replacement.

Whilst we cannot recommend any individual company to approach, we can tell you that the National Federation of Housing has organised competitive rates with [My Home Insurance Contents Scheme](#) which is an easy and affordable way for social housing tenants to insure their belongings.

Premiums are based on your postcode and can be paid fortnightly or monthly by cash at any post office or pay zone outlet, by direct debit, annually by cheque, postal order, debit or credit card.

To apply for cover or to find out more call 0345 450 7288 or visit www.thistlemyhome.co.uk.
